Public Comment –None

The meeting was called to order at 5:30 pm. Discussion was held on general finances and the budget turnaround plan. All items were reviewed and trustees made it clear there was no support for a utilities tax in spite of staff continuing to present it as an option.

It was announced that thanks to decisions made by the current board, the budget would be balanced and without the telecommunications tax, further cuts would need to be made to public safety and basic village services.

A timeline was provided for the upcoming budget.

A motion to adjourn the meeting was made at 6:38 pm by Trustee Gadbois and seconded by Trustee Barber. All were in favor.

Respectfully submitted,

Nick Allen
Chairperson
