**ATTENTION:** Please read this page before signing up for any trip. When you sign up, that mean you have read it and agree to all the stipulations as written. Anyone signing up for the first time for any of the monthly trips must fill out a form for the Bourbonnais Park District before the trip. If you do not have a form filled out you will not be able to board the bus. This is for Insurance purposes. The form will be copied each time you take a trip and dated for that trip.

We usually start our trips in late February due to the weather. We try to take our Lunch trips on a Wednesday. We do 3 Casino trips a year. Any ideas on trips are more than welcome. When planning these trips, we take into consideration the amount of walking, distance and cost. If you sign up for one of the trips that involves some walking, you must agree to leave the Bus and participate. The Bus will be parked and locked until we return to leave. No one will be allowed to stay on the bus without the Tour Director being there. First and foremost is the distance because of the price of gas, since we pay for the gas and the Bus driver.

In order to insure that you get on every trip that you would like to go on, please come into the Senior Room and sign up for all of them that you are interested in as soon as you get the Trip schedule. You can pay for each trip 30 days ahead. If you need to cancel, you will get a refund if you cancel before the Wednesday the week before the Wednesday of the trip. If you cancel after that and your seat can filled from the cancellation list, you will also get a refund. If you have not paid for your trip by the Wednesday the week before the trip your reservation will be canceled. Reservations are made a week ahead and confirmed on Monday before the trip. the money for the Bus is turned in to the Park District on Monday before the trip.

**SEATING ON THE BUS:** In order to assure the availability of side by side seating for couples or pairs that are traveling together, single passengers may be asked to sit with another single passenger or to change seats. We ask your cooperation in this matter; to make everyone more comfortable. If you need special seating, that must be arranged before the trip with Trip Director.

All Casino trips must have the Manifest (list of names) turned into the casino along with the payment two weeks before the trip. If after that date and you cancel you will get a refund if your seat can be filled.

Our lunch trips have a minimum of 20 and maximum of 30, if the minimum is not reached by the deadline you will be given a refund.
