The telephone system has areas of concern that need to be corrected that could cost as much as \$50,000. It can be funded from a corresponding reduction to the \$125,000 Generator Phase I project that will only incur \$9,800 in FY 15-16. **This change has come up at the end of FY 15-16 that the Board will approve via this amendment.**

Staff sees a need for Economic Development professional services in the amount of \$10,000. It can be funded from a corresponding reduction to the \$125,000 Generator Phase I project that will only incur \$9,800 in FY 15-16. **This change has come up at the end of FY 15-16 that the Board will approve via this amendment.**

There was a legal settlement approved by the Board in the amount of \$2,500.

The IML Conference for the Board was not originally placed in the FY 15-16 budget. \$4,940 will be placed in the amended budget to cover the costs already incurred.

Village Administrator costs are lower due to staff turnover.

The Police department purchased a new and a used squad totaling \$40,560. There were 4 old squads and an ATV sold in the amount of \$12,300 to offset the cost of the used squad. Also, the planned purchase of 4 squads from FY 16-17 totaling \$172,000 were moved into the FY 15-16 budget to alleviate fiscal pressure on the FY 16-17 budget. The generator project will not start this year so a reduction of \$60,000 is warranted. Personnel costs changed due to staff turnover, insurance changes, staff injury and possible consolidations. These personnel adjustments total an increase of \$195,000.

The Fire Department ambulance for \$185,000 will not be purchased in FY 15-16.

The Georgetown Drainage project went over budget by \$2,310.

The Turk Sales Tax Rebate came in higher than originally budgeted.

The Board approved a \$13,770 amount for uninterrupted power supply (UPS) machines for the E-911 system and network servers that were not originally budgeted for FY 15-16.
