

License, Zoning, Planning and Grants Comm.

May 2 nd. 2016 @ 5:30 pm

Attending; J.Balthazor, M.Watson , R.Redmond

Absent ; None

Agenda; One (1) item. Class "F" License discussion

Public Communications. None

The question tonight concerns do we increase this license category by two or will we leave it as is with no changes.

The general feeling among all members was to leave it as is for now. We also discussed to bring it back up for discussion in six (6) months to see if there is a trend upward in gambling revenue. If it does increase not only in Bradley but other communities there may be an opportunity to increase the licenses the Village of Bradley issues.

We talked about tightening up our rules on both alcohol and food sales. We don't know if this is a possibility or if the State of Illinois dictates those standards. Our attorney is best suited to answer that question.

M.Watson made the motion to leave the license as is but to meet in six (6) months to review these numbers. R.Redmond made the second. Vote was 3-0

There were no other agenda items. Jerry made motion to adjourn this meeting , R,Redmond made the second. Vote was 3-0

Meeting adjourned at 6:10 pm
