### Brush / Branch Collection Information

- Brush/Branch collection is conducted on a monthly basis within the corporate limits of the Village of Bradley from April through October.
- It is for residents only
- The Village is divided into two sections
  - o Section 1 is **WITHOUT** alleys
  - o Section 2 is **WITH** alleys
- Section 1 pickup will begin on the first Monday of the month
- Section 2 pickup will begin on the third Monday of the month
- While the collection begins on Monday, it may take more than one day to complete our route. Please be patient.
- Your pile should not exceed 2' in height, 2' in width, and 10' in length.
- The brush/branch pick up program is for disposal of "trimmings" and not for the complete take down of a tree. Disposal of large trees can be handled by a professional tree service or you may arrange for a "special pick up" through the village and have a service fee added to your sewer bill.
