INTRODUCTION

On behalf of the men and women of the Bradley Police Department, I am pleased to present the 2014 Annual Report. Once again, through hard work, vigilance and dedication, department members continue to keep the village safe and provide the best, professional service possible. I am happy to report that in the 2014 crime offenses reported, only two categories increased, Robberies by one (25%) and Auto Thefts by seven (100 %). In reviewing the fourteen reported auto thefts, the department was assisted by the Tri-County Auto Theft Task Force, and it resulted in all vehicles recovered, three arrests, one case was unfounded due to repossession, two cases resulted in declined prosecution and the remaining were closed with no further leads. Arrests were made in four of the five Robberies reported. The majority of the crimes the department handles are property related, especially Retail Theft and Burglary to Motor Vehicles.

During 2014, the department held several community relations programs, including the formation of the Quail Hollow / Old Farm Neighborhood Watch, Senior Citizen Academy, along with the annual area National Night Out, which was the most attended. Members of the department also presented crime prevention programs to the area businesses, and various programs and demonstrations at area schools, and community organizations. There was also some personnel changes during the year with the retirement of Sergeant Donald Barber after 29 years of service, the promotion of Officer Marlene Rittmanic to Sergeant and new police officer Samuel Pallaggi. The department also acquired a second K-9, "Pato" which was donated by KAMEG and Officer Brandon O'Connor was assigned as his handler.

Department improvements during 2014 included phase two of the firearms range upgrade, the addition of LIVESCAN, lighting efficiency upgrades, dispatch center improvements, various technology upgrades and new Taser transition. Several of these improvements were due to the department and village acquiring various grants. Many of these projects are ongoing.

With efficient planning and effective use of our resources, department members will continue to maintain the high quality of service we provide to our residents, the business community and the citizens that frequent the village

I am proud to lead a department of highly trained men and women, who are focused on protecting the Village of Bradley, and I thank Mayor Adams and the Board of Trustee's for their continued support.

Respectfully Submitted,

Steven E. Coy
Chief of Police

The Operations Division is the backbone of the Bradley Police Department and is most recognized as the Patrol Unit. Its primary responsibilities include: The protection of life and property, the preservation of peace and order, the control and direction of traffic, the investigation of traffic crashes, the investigations of criminal acts in progress and the apprehension of criminals and the provisions of a myriad of other police services.

These services include: Extra Patrol checks on businesses and residential dwellings, specialty vehicle patrol (HumVee & ATV), Foot Patrols and park checks. Operations provide twenty-four hour police service and respond to nearly 35741 emergency and non-emergency calls for service in 2014.

The Operations Division patrols nearly seven (7) square miles within the Village of Bradley utilizing 3 patrol shifts. The 1st Shift 0645 – 1515 hours, 2nd Shift 1445 – 2315 hours and the 3rd Shift which runs 2245 – 0715 hours. The 30 minute overlap on each shift change allows for those officers coming on duty to attend Roll Call and receive daily briefings and training sessions. This overlap also ensures that there are always police officers available to respond to incidents despite shift changes. The officers assigned to a patrol shift now rotate days off on 5 on, 2 off, 5 on, 3 off; 15 days cycle of 8.5 hour shifts. During the officers' tour of duty they may be dispatched to calls involving burglaries, robberies, assaults, domestic violence, alarms, reports of drunk drivers, prowlers, traffic crashes and many other calls for service.

The Village of Bradley Emergency Communications Center is staffed by nine full time Telecommunicators providing 911 Police and Fire dispatch services to all residences and businesses in the Village.
